What Needs to be Done Differently?

- **Everyone needs to become familiar with DISR features such as adding a note for distribution to WG members.**
- **WG Chairs should attempt to transfer CRs that belong to other WGs as early as possible.**
- **Easy access of CRs at DISRonline by WG assignment.**
- **Author of CR needs to provide a more detailed rationale/justification for accepting CR.**
- **Tool must not permit adding a CR for a standard that is already contained in the DISR.**
